

EUROPEAN STAKEHOLDER COMMITTEE ON ELECTRICITY CYBERSECURITY – HOW TO APPLY?

ACER in close collaboration with ENTSO-E and DSO Entity is establishing a new [European Stakeholder Committee \(ESC\)](#) on cybersecurity in the electricity sector. We invite industry associations that could offer a pan-European perspective on cybersecurity aspects of cross-border electricity flows to join.

Please send your expressions of interest to NCCS@acer.europa.eu by 2 July 2025, including the following details in the body of the email:

- Name of your association
- Type of entity you wish to represent (as referred to in Table 1 of the [Terms of Reference](#))
- Name(s) and Surname(s) of the primary representative and one or two substitute representatives
- A brief statement (up to 200 words) outlining how your association could contribute to the objectives of the European Stakeholder Committee on cybersecurity as referred to in Article 1 of the [Terms of Reference](#).
